CURE YOUR KIDNEYS

Do Not Endanger Life When a Barre Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headache, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work. If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy, or Bright's disease sets in. Read this Barre testimony:

F. A. Beede of East Barre, Vt., says: "I was bothered with a constant lameness across my back and kidneys. I was very restless at night and when I awoke mornings I felt more tired than when I went to bed. I saw Doan's Kidney Pills highly recommended for such troubles and went to E. A. Drown's drug store for a box. They proved to be just what I needed. It was not long before the lameness left my back and I could sleep well nights. Doan's Kidney Pills cured me, and I shall always be glad to tell people of my experience with this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Gates and Almon Bicknell.

GIFT TO HOSPITAL.

Rutland City Institution Gets \$1,000 From Mary E. Cramton.

Rutland, March 8.—It is announced that the Rutland city hospital has received a gift of \$1,000 from Mrs. Mary E. Cramton of this city, sister of the late John W. Cramton, who, some years ago, gave \$2,500 to the hospital for real estate when the debt was declared off and the mortgage paid. Miss Cramton's money is voluntary and the hospital authorities will be permitted to use it toward erecting the new building which is planned, the money being devoted to the permanent building fund.

About a year ago John N. Woodfin promised to give the hospital board \$1,000 toward a home for the nurses provided a similar sum was raised for the same purpose. The members of the board hope to erect a new building south of the present one. From the Interstate Horse and Automobile show, and a recent event at the opera house, the hospital has received nearly \$400, and it is expected that the total amount on hand will soon be \$3,000.

Why Do Country Boys Flock to Big Cities?

Most small towns are short of young men. As a rule there are plenty of agreeable girls who would not object to matrimony; there are plenty of old people and enough babies to go around. But the boy—oh, where is he?

The boy, the young man, has gone to the city, where he imagines there are opportunities. To him the old home town is dull and stupid. He sees no future for himself there. Both for social and financial considerations he rushes off to the great city. Very frequently he finds that

he is lonelier there than at home—nearly always so; and even more frequently he finds that riches do not grow on ten story walls.

BUT STILL HE GOES TO THE CITY.

In going there the boy simply follows his daddy's dollars. For years his daddy and his mother and his big sister and his Aunt Mary Ann have been mailing their money to the big city for Mail Order bargains.

Result: Home merchants don't thrive; grass grows in the streets, no jobs are to be had, no opening for a new business, and the young man goes to the city because it is a place where people have traded at home and built up their own community and provided opportunities for outsiders as well as for themselves.

IF YOU WANT TO KEEP YOUR BOY AT HOME BUILD UP YOUR TOWN SO THAT HE CAN BUILD UP HIS CAREER AMONG HIS HOME FOLKS.

WOULD LIKE TO FIND HIM.

Young Man Who Suddenly Left Burlington Wednesday Night.

Burlington, March 8.—The police would like to know the whereabouts of one Edward Wright, a young man of 16, who made his home in Burlington since Sunday and Wednesday night suddenly quit the town. It is alleged that he left with about \$60 worth of his landlord's property. He said he was from Montreal and that is probably the city to which he returned.

Wright arrived in this city Sunday night. He went to the boarding house of N. Rock on St. Paul street and engaged a room and board. For these he paid in advance. He seemed to be a good looking young fellow. He said he was from Montreal and he had friends in Burlington. He also said he was a printer by trade. Everything seemed to be all right and the people in the house thought Wright was looking for work—then they discovered he was no longer with them. They also ascertained that something else was missing. To wit: two suits of clothes, a rain coat, an overcoat, a gold ring, a pair of shoes and a dress suit case.

Wright left behind him his own small grip. In it was found a document which was signed by his father John Wright at Montreal, by which he was an apprentice to a printer.
